SPRINGTIME IN AN ENGLISH COUNTRY GARDEN

The 1971 Spring Prom was the last event held in our old gymnasium. The students transformed it into a beautiful English Country Garden, and amid rose trees, white picket fences and apple blossom bushes, Jane Backx was crowned school queen. Her court consisted of Susan Brown, Annie Huyben, Wendy Phibbs and Lynn Ross.

SCHOOL SPIRIT DAY AT NLSS

School Spirit Day '71 at NLSS achieved spirit in its fullest sense. The main ingredient to the success was organization. The Student Council organized the day and the students and teachers carried out the plans. The Grade Twelve Knickerknockers put on a great variety show to start off the program. The grade thirteens unmercifully tortured the grade nines and the teachers continued the laughter by initiating their own freshman. Involvement was the key to success. Whether the students were participating on stage or cheering from the audience, everyone was participating.

FOLK NIGHT

Despite the various problems of not having a gymnasium, tables were removed from the cafeteria and there the students gathered for a night of entertainment. Our own Karen Dodds provided us with many of her own compositions. She was accompanied by guests Bill McLean, Rick Rockwood, and Tim Clark. Mr. Soehner returned for the evening and joined Mr. Godbolt to sing some of the old favourites. The Grade twelve Knicker Knockers amused us with skits and jokes. The Folk Night was determined a success and hopefully it will become an annual event.

CHRISTMAS DANCE AT TAXANDRIA HALL

A full capacity audience attended our film festival. The cafeteria was made into a theatre for the showing of two horror movies, entitled "Dracula" and "Phantom of the Opera". The Grade Thirteen students supplied the spectators with refreshments and popcorn. The evening was a great success and is sure to be repeated next year.

WINTER WEEKEND '72

THE OZARK COUNTRY FAIR

This year the Winter Weekend expanded to three days and the new cafeteria was used for the first time. A kick-off for the weekend was held Friday afternoon. The school was divided into clans and these clans competed against each other in various events. The activities on Friday consisted of a pie-eatin' contest, hog-calling contest and the feud call. The well known "Pete Kimball" took a lot of slam remarks but he made up for all of them when he gave the feudin' reasons for the Kimball clan.

Friday Evening was Variety Night and each clan put on their show. Between each showing the spectators could go to the Kissin' Booth, the girls could grab a guy and get married, or the more shy ones could go and get refreshments which were provided by the band members. The evening was closed by the annual "Snake Dance".

Broomball players had their fun on Saturday morning when each clan tried to play out each other. A delicious chili dinner was served by the Grade Thirteen students to warm the bodies for the afternoon events.

These included a Shanty buildin' contest, potato sack race and hay relay.

Edward Bear provided a music concert for the evening and square dancing completed the night.

For the first time a Sunday Service was held and the I S C F were put in charge of it. It was labelled a success and will be repeated again next year.

DRAMA CLUB

Last year's Drama Club was forced to abort rehearsals for the production "If a Body Meet a Body" due to the prolonged strike involving the custodial staff and the loss of the stage because of construction. This year the club is making another attempt at the same production; however, many of the roles are being filled by different students.

The play is a mystery comedy, revolving around the murder of cranky old Mr. Hatcher and the ensuing dilemma when he falls out of the dumb waiter into the living room of three rather excitable females.

"If a Body Meet a Body" is sure to be a huge success; all Drama Members anticipating a large turnout on the big night.

NORTH LAMBTON EXPANDS

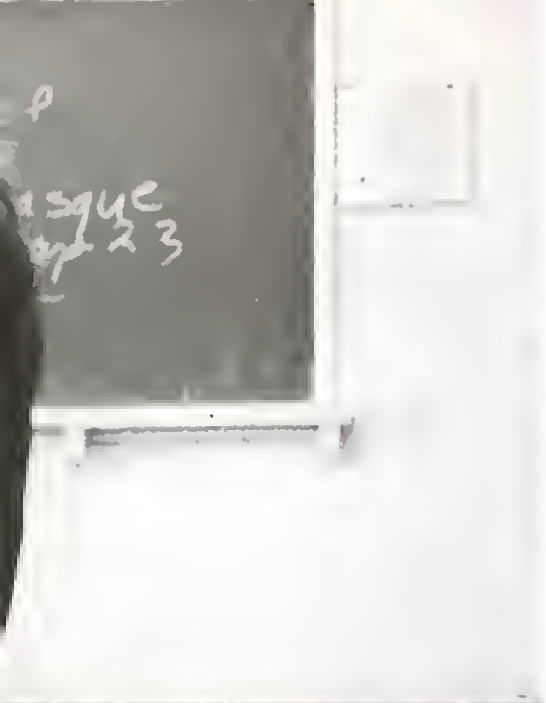

The original Forest High School was built in 1890 and was opened to students January 1, 1891. Several additions were made but in 1940 the original section of the school was destroyed by fire. In 1947 the Forest District High School was formed. A new wing was completed in 1966 and the name was changed to North Lambton Secondary School. This year we can boast of another big addition, even though it's been an inconvenience during the past year. The main features are the double gymnasium and the cafetorium which will seat 350 for eating, and 400 for special events. There is a complete English Complex with a seminar room and one large classroom that can be partitioned off into regular sized classrooms. We also have two new Math rooms and two Science labs. The Guidance Counsellors have their own complex, and there is a new administrative area with offices for Principal, Vice-principal and secretaries. We have carpeting on the floor, air conditioning and benches in the main corridor. Our new library is located in the old gym and each department has a room for tutorials in the old balcony. An audio-visual centre is in the old stage area. All of the original school will be painted and re-decorated and when everything is completed we will have some of the best school facilities in the country, something of which we can be proud.

The year 1972 has been the best ever for the N.L.S.S. Curling Club. Curling was held every Monday and Tuesday night after school and there were 32 curlers on each night. The curlers co-operated to their fullest and attendance was almost perfect. The new arena was the setting for some very exciting games as the rinks played for the Calder Trophy.

The Club's executive, consisting of Jerry Beernick, President; Ruthann Haist, Secretary; Brian Fields, Treasurer; and Wayne Hutten, Draw Master; would like to thank Mr. Gibbs and the members of the Forest Senior Curling Club for their assistance in a successful year.

Scott Rogers, Jim Rogers, Philip Cates, Mike Boomer, David Tilly, Doug Southen.

CANADA'S BEST: OUR RIFLE TEAM

The rifle team of #2097 North Lambton Secondary School Cadets Corps participated in several competitions this year and last. Among them was the Earl Roberts Rifle Competitions in which the corps placed first in Canada and eleventh in the Commonwealth. The team also competed this year in the Ontario Rifle Association competition, the team placing fourth. Unfortunately, the team had an off day in the Brigadier Murdock Trophy competition, managing only to take thirteenth.

On the brighter side, the team now has two members of the Bisley Team for 1972. Mike Rogers is to be captain of the team, and his brother, Jim Rogers, is the third place team man, both having qualified at C.F.B. Borden last summer.

*You didn't have time to say farewell
Or us to say goodbye.
You were gone before we knew it
And only God knows why.*

*We shall never forget your smiling face
Your happy carefree ways.
The smile that won so many friends
In those happy bygone days.*

But, Mr. Evans! I REALLY was in study yesterday.

YEARBOOK STAFF

TOP ROW: Mrs. Fraser, Don McCahill, Betty Butler, Donna Gingras, Donna Kernohan, David Donald, Mr. Newell, Mr. Godbolt. BOTTOM ROW: Barbara Grimshaw, Muriel Burnley, Gwen Somes, Patti Watson, Irene Latam, Ruth Fisher, Mary Blewett.

Aurea Vincula '72 has been an experience for me, never to be forgotten. Putting this yearbook together was the most time consuming, but rewarding task. It would not have been possible except for the dedicated efforts of the yearbook staff. My special thanks goes to all these members.

I would also like to thank Mr. Godbolt and his Year III Marketing Class who sold advertising which paid for a major amount of the publishing of the book and also to the Student Affairs Council who financed the yearbook throughout the whole year.

To Mr. Newell and the other staff advisors, I extend thanks for their guidance and never-ending support.

In Aurea Vincula '72 I have introduced some new ideas that were presented at the Summer Yearbook Workshop. These included new layout and heading designs and some special photo effects. I hope that they have served their purpose and made this a more enjoyable book. I sincerely hope that this yearbook will mean as much to you as it does to me, and truly does recall the year 71-72 at North Lambton Secondary School.

Gwen Somes, Editor

Best Wishes

ALMOST A MEMORY

What is it that the song awakes in me?
Almost a tear — almost a memory;
A fleeting, lonely something that evades,
A glimmering of memory that fades
And vanishes as I pursue — and yet,
Something it is my heart cannot forget.

What is this haunting thing within my strain
That stirs some deep, long buried, hidden pain
Within the heart of me — a yearning there?
My groping fingers clutch the empty air,
The ghost uncaptured, unrevealed — and yet,
Something it is my heart cannot forget.

And now the song has ended — quiet falls,
And I am left still wandering the halls
Of reverie, lost in my fruitless quest
Of half-remembered things locked in my breast.
What is it that the song awakes in me?
Almost a tear — almost a memory.

Helen Lowrie Marshall

Dear Mary,
To a great friend and
a super-great student. Be good
and set yourself a high goal in life.
Always remember me, though there be
many miles between us. Thanks again for
your friendship.
